GET A DOLLAR FOR FREE!!

To introduce you to our stupendous March discount mailer, we'd like to make you a very special offer. If your purchase from our inventory selection totals over \$200, we'll give you a *free* 1928 Series A Silver Certificate as a bonus! You'll get a Gem Crisp Uncirculated note, Fr. #1601, with the signatures of Woods and Mellon, that currently retails for \$10. The certificates are all from an original, Federal Reserve wrapped bundle from 1930. (If you wish, you may purchase a packet of 10 of these notes, in serial number order, for \$90.) How often can you get a dollar for free?!

But this Silver Certificate offer is really just icing on the cake — the *real* bargain is our special discount prices. From now until April 21, you may deduct 10% from the total price of your order from this mailer if that total is \$200 or more. If your total order is under \$200, deduct 5%. Why the time limit? With activity in the coin market as fast-paced as it has been in the recent past (and is likely to continue to be), the replacement prices for these coins by the end of April will have risen to the point where we feel we'll no longer be able to offer a discount. Right now, we're operating on the principle that: the higher our volume of turnover, the more cash we have available to replenish our inventory. And the sooner we can buy new coins, the better for you; prices are climbing steadily, and we must unfortunately pass these increases on to our customers. We're just trying to keep one step ahead of the market.

We cannot emphasize enough that the coin market is experiencing a boom unlike anything that's been seen in recent years, and that the time to buy in to the market is *now*. With the U.S. Dollar hitting a record low abroad because of the "massive United States balance-of-payments deficit and a conviction that the Carter Administration is not going to take more active steps to support the currency" (*New York Times*, March 2, 1978), numismatic investors are likely to keep up the coin market's incredible momentum. Choice material is becoming more and more difficult to locate.

So be sure to take advantage of *both* of our special offers. Remember, if your order is under \$200, deduct 5%, and if the total price is \$200 or more, deduct 10%, and get a dollar for free!

U.S. MINT COIN DIES

A Unique Opportunity

New England Rare Coin Galleries is proud to offer to our customers this once-in-a-lifetime numismatic opportunity. For the first time ever, you have the chance to own an invaluable treasure — the actual dies used in the minting of United States coinage, mounted in a specially designed unit. New England Rare Coin Galleries is the *only* firm from whom you can purchase these dies, as we bought all that the U.S. Government released to public ownership. Once our supply is exhausted, there will be no more dies on the market (the government now has stringent controls to preclude the release of any more dies from the mint). They are, however, completely legal to own as they were defaced at the mint.

These dies were used in the striking of the 1968 Proof sets, the first set ever *not* issued from the Philadelphia Mint, and the first to bear the mintmark of the newly reactivated San Francisco branch.

We are offering these dies set in a specially designed unit which holds the removable coin die, a descriptive plaque (detailing the history of the die), and a 1968 Proof coin of the denomination produced by that particular die. All these elements are set into a stand of American Maple wood with a walnut finish. Each of these units is totally unique, as each plaque bears the engraved serial number of the coin die in the unit.

New England Rare Coin Galleries is offering this remarkable collector's item at a price that is incredibly low when one considers that there is only a small, finite supply available. Never again will you have this opportunity.

The dies are available either mounted as a complete unit (including descriptive plaque and Proof coin) for \$39.95, or by themselves for \$29.95. Denomination is our choice, but we will try to accommodate your preferences. Offer limited to no more than three (3) dies per customer. Please include \$1.95 for handling and shipping; allow 4-6 weeks for delivery.

If you want to learn more about Numismatics... apply yourself!

The American Numismatic Association, founded in 1891, is the largest and most active organization for coin collectors in the world. An ANA membership makes it easier for you to make a serious study of the area of numismatics that interests you — to build up a real knowledge of your specialty while you are building your collection.

Some of the advantages of ANA membership include:

- "The Numismatist", the Association's official magazine, is mailed free each month to all members except Associates. You will read of newsworthy men and collections, new coin issues of the world, new books, fakes that can hurt your collection, and editorial comments and Association news.
- A copy of the 48-page Introduction to Numismatics, and the Dictionary of Numismatic Terms.
- Use of the largest circulating numismatic library in the world. The only charge for borrowing reference books is the postage paid round-trip from Colorado Springs.
- A museum with displays and study collections is located in the Colorado Springs headquarters. Visitors are welcomed.
- Several insurances, such as on numismatic collections, exhibits, hospital money plan and life.

AND MUCH MUCH MORE!

ALTERNATE CHOICES

Since many of our listed items are understandably one of a kind, we ask that you list alternate selections so that we may have a better chance of completing your order. Of course, we will not send out any alternate selections unless your first choices have already been sold. If you are ordering for a type set, please list "type coin" as your alternate choice so if your first choice is not available, we can fill your order with another coin of the same type in equal or higher grade.

TERMS OF SALE

Please enclose full remittance with your order unless you have previously established credit with us. Massachusetts residents only please add 5% sales tax or else furnish us with your tax exempt resale number. An immediate refund will be sent on all items which have already been sold.

RETURN PRIVILEGE: We offer a full 30 day return privilege on all coins. This means that any coin may be returned within 30 days from receipt for an immediate refund... for any reason or for no reason at all! All items are subject to prior sale and all prices are subject to change without notice. This listing cancels all previous prices for any item listed here. A copy of our famous grading and authenticity guarantee is free upon request. We feel it is the most comprehensive guarantee available in the industry.

APPROVAL SERVICE: Coins can be sent to you on approval if you have previously established credit with us. Please send us banking references and at least two numismatic references if possible.

MASTER CHARGE and BAC/VISA are welcome, however, we request that you send written order, which must contain your signature as it appears on your card along with all the raised information. You may call to reserve items to be paid for by credit cards, but the coins will be held pending receipt of your written order.

GRADING GUARANTEE

We guarantee that coins purchased from us are graded correctly and will meet our high standards when you wish to sell them. Further, we guarantee to purchase these coins at the same grade as they were sold, and, if you request auction for disposal of your collection, that New England Rare Coin Auctions will catalog your coins at the same grade which you purchased them.

We further guarantee the authenticity of all coins listed. As proof of our certainty that no counterfeit or altered coin can escape our attention, we will guarantee to refund full purchase price plus 10% interest per year on any non-authentic coin sold by New England Rare Coin Galleries.

OFFICE HOURS

We are open Monday through Friday, 10 a.m. to 6 p.m.

You may examine coins in person at our office which is conveniently located in downtown Boston, at 89 Devonshire Street. Since all coins are kept in bank vaults, please call at least 30 minutes in advance so that we may have the coins available for your viewing.
